HEIGHT ADJUSTABLE ULTRA-LARGE DISPLAY TV CART WITH CRANK HANDLE

This single display TV cart with stylish, technical and functional design to provide solid presentation solution for most 60"-100" LED, LCD flat panel TVs up to 100kg/220lbs. The crank handle allows effortless height adjustment of 400mm to match different viewing needs anytime. +5° ~-10° freely tilting allows easy angle adjustment and reduces glare from lights or windows to obtain the optimal viewing comfort.

Introducing our cutting-edge Single Display TV Cart, a seamless blend of style, technical innovation, and functionality that promises to revolutionize your presentation solutions. Designed to cater to a wide range of needs, this cart is your ultimate companion for hosting presentations, conferences, or engaging in public displays.

Seamless Height Adjustment: With a user-friendly crank handle, you can effortlessly raise or lower your TV by 400mm, catering to various viewing needs. Say goodbye to awkward angles and hello to the perfect eye-level presentation or entertainment experience.
